

ACT Ready

LET CHALKABLE PREPARE YOUR TEACHERS AND STUDENTS FOR NEW ACCOUNTABILITY MANDATES AND TESTING REGIMENS

With ACT testing becoming the standard for high school students, administrators are seeking the right resources to prepare their teachers and students for the ACT. Finding the right mix of materials to better prepare students for the rigor of the next generation of assessment is essential for schools and districts.

Our ACT Preparation Services are preparing teachers, administrators and students for these new accountability requirements through:

- professional development workshops;
- individual classroom mentoring;
- group meetings; and
- student preparation sessions.

Using these strategies, Chalkable instructional coaches, teachers and administrators are able to focus on continuous improvement efforts. By helping teachers better understand content and organization of the ACT test, they are able to help students gain confidence in test preparation for success on the ACT.

Teacher & Administrator Professional Learning Sessions Include:
